And Whereas, over the past few decades many residents have constructed, at their own expense, stairs to access the beach on public property from their private property; And Whereas, said stairs were built without a permit or formal approval from either the Crown or RMVB Council due to a lack of formal process or RMVB By-Laws that deal specifically with this issue;

And Whereas the R. M. of Victoria Beach council has asked the Shoreline Advisory Committee to review this issue and to provide advice to council on this matter;

And Whereas the Committee's work is ongoing, and a final report is not expected to be presented to council until early 2025;
